Eric Van Heesvelde – BIPT

Dear Colleagues,

As announced in our first Newsletter, we proudly confirm that Eric Van Heesvelde, General Administrator of the BIPT, will be our first FITCE.BE guest speaker.

His presentation on "Developments in the World of Telecommunications and their impact on regulations" will start at 6 PM on March 14.

Mr. Van Heesvelde will present the status of the current European Regulations and their implementation in Belgium, as well as his vision of the future in telecommunications.

He is an authority in this field and a very interesting and entertaining speaker.

Afterwards, there will be time for questions and answers and we will end with a reception.
